in FLORISSANT, MO

A UNIVERSALLY ACCESSIBLE PLAYGROUND PROJECT

SPONSORSHIP OPPORTUNITIES

BROUGHT TO YOU BY:

Where **limitations** are forgotten,
and **differences** are celebrated

Why do Playgrounds Matter?

Play is a critical part of the social, emotional, cognitive and physical development of every child. Unfortunately, the vast majority of playgrounds deny children with disabilities and critical illnesses the opportunity for exercise, entertainment, and social interactions which other children enjoy. In fact, only a small percentage of fully accessible playgrounds exist within our nation and these are insufficient to serve 43 million Americans with disabilities.

An **Inclusive Playground** is specifically designed to remove physical and social barriers so ALL children, with and without disabilities and/or critical illnesses, can play side by side with their peers and families.

To be located in Florissant, MO Angie's Playground will be an Unlimited Play inclusive playground honoring children of all abilities — a place where limitations will be forgotten and differences are celebrated!

The Vision

In October of 2008 a small group of Florissant residents led by Gary Behlmann came together to form Accessible Play, Inc. a non-profit corporation with an interest in building an Inclusive playground in Florissant. In 2011 the City of Florissant passed an ordinance to allow Accessible Play the use of Manion Park as the site for an Inclusive Playground that would be known as Angie's Playground.

In 2017 the city began applying for St. Louis County Municipal Park Grants to begin the process of turning Manion Park into a park that could accommodate an Inclusive Playground. Thus, in 2018 a new enlarged parking area and water retention work was completed at the park. In 2019 a new larger accessible restroom and seating areas were added to the project.

Therefore, the next phase of the project is to construct the Inclusive Playground to complete the dream of this destination playground at Manion Park in Florissant.
